

LCQ adapter MM OM4

LC Quad adapter, Senior/Junior, flangeless, MM Zirconia sleeve, heather violet

LC Quad adapter is a fiber optic pass-through coupler that combines four LC ports into a single housing. It ensures precise alignment of the fiber cores using internal zirconia ceramic sleeves, which minimizes signal loss and has the same footprint as a standard SC Duplex adapter, effectively doubling the port density in patch panels.

SPECIFICATION	
Adapter Fiber Mode	MM
Adapter Colour	Heather violet

Part Numbers	
C20000Fo	LC Quad adapter, Senior/Junior, flangeless, MM Zirconia sleeve, heather violet
